1:00 P.M. – 1:15 P.M. Registration

1:30 P.M. – 3:30 P.M. Reviewing projects and conferencing with students

Maggie will need people to come in the afternoon and provide feedback to the students. During the afternoon session only the top category winners will be judged. Since most students will have traveled to get to the fair we were going to have industry/academia professionals come in the afternoon and talk to the students about their projects. The students are looking forward to getting some feedback in this manner. If interested contact Maggie Teliska at teliska@gmail.com
