**Wayne Reschke,**  
**VP of HR**

Wayne helps businesses assess and develop their leaders, manage change initiatives, and improve organizational performance. He conducts culture assessments, facilitates business planning and strategy development, and provides one-on-one coaching to executives and managers.

Wayne has 28 years of human resource development experience, including management roles in three consulting firms and positions in human resource development at UW-Madison and as a training director and general faculty at the University of Virginia. Wayne also periodically teaches at the UW-Madison School of Business and the Fluno Center for Executive Education.

Wayne has a M.Ed. from the University of Virginia and a BA from Northwestern University. In addition, he has completed 27 hours of post-masters study in Industrial Relations at UW-Madison. Wayne has published articles on performance management, career development, peak performance and systems thinking.
